

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

ALL ILLINOIS USA TODAY ACADEMIC TEAM  
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that each year USA Today holds a competition for the state and national Academic Teams to recognize academic excellence in America's colleges and universities; and

that 1300 top students at community colleges who were nominated to the National USA Today Academic team were invited to apply for Phi Theta Kappa summer internships with the federal government, and that Mr. Santoyo has received one of only two internships offered this summer at the United States Department of Education; and

that as part of this internship he will attend congressional hearings and work on substantive projects under a senior staff member. He will also have the opportunity to tour other government agencies and participate in the cultural activities available this summer in the nation's capitol; and

that this reflects upon the achievements of this student, which include an excellent academic record with a 3.83 GPA and an active role as a member of the Daley College team at the Illinois Model Government competition, which won the "Outstanding Small Delegation" award.

Respectfully submitted,

  
Wayne D. Watson  
Chancellor
