

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
Cook County and State of Illinois

KICK-OFF FOR WORLD ASTHMA DAY
KENNEDY-KING COLLEGE

THE CHANCELLOR

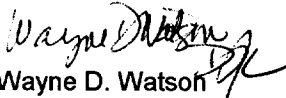

REPORTS

that Wednesday, May 3, 2000 Kennedy-King College hosted the Official Chicago "kick-off" for World Asthma Day, which was coordinated through the Center for Life Long Learning by Kathryn Ward, Dean of Continuing Education. Sandra Thomas, M.D., MS from the Chicago Department of Public Health provided the latest asthma statistics, Lenore Coover from the Chicago Asthma Consortium discussed CAC activities and Dr.'s John and Matthew Clarke, shared their "Asthma Stuff" rap CD; and

that guests conducted an interview on WKKC radio and were video-taped by the Broadcasting Department. Dr.'s John and Matthew Clarke produced the "Asthma Stuff" CD to reach inner-city youth who are at high risk of contracting this "treatable disease"; and

that the Chicago Asthma Consortium will establish a long-term association with Kennedy-king College to continue disseminating information about asthma and how people can prevent it from claiming more lives.

Respectfully submitted,

Wayne D. Watson
Chancellor
