

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

DOWNSTATE CULTURAL EXCHANGE
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS

that seven students from Truman College who had never been in Southern Illinois took part in an exchange program April 28, traveling to Shawnee Community College in Ullin; and

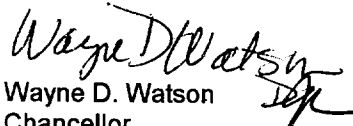

that an equal number of Shawnee Community College students visited Chicago, May 5 as guests; and

that the exchange was funded by a \$10,000 grant from the Illinois Community College Board's leadership and Core Values program in response to an ethics course developed by Truman College Professor John Mintier and Shawnee Community College Professor Libby Roeger; and

that the course, which Mintier and Roeger are converting into a web-based course, examines how geography can affect values and ethics; and

that Mintier and Roeger hope to make the exchange an annual event.

Respectfully submitted,

Wayne D. Watson
