

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

BLACK HISTORY MONTH HEALTH FAIR  
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS

that in recognition of Black History Month, Truman College hosted a public Health Fair focusing on African and African-American health related issues; and

that health care professionals throughout the Chicagoland area came to provide faculty, staff, students and community members information on health issues most common to Africans and African-Americans; and

that the following medical centers provided information and screening for cardiovascular disease:

- > American Heart Association
- > Cedar-Crosse Reserach Center
- > Cook County Hospital
- > Edgewater Medical Center
- > Uptown Health Clinic; and

that the Kidney Foundation of Illinois and the Regional Organ Bank of Illinois provided literature and information about organ donation; and

that Life Source Blood Services screened attendees for leukemia and sickle cell anemia reported excellent participation in the Health Fair's bone marrow drive, with 36 new donors added to the bone marrow bank in one day.

Respectfully submitted,

Wayne D. Watson  
Chancellor
