

22301

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

2000 INNOVATION AWARD
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that the Illinois Council of Community College Administrators have a program to recognize and share new ideas that have been successfully initiated and developed at Illinois Community Colleges. Recognitions was given to those colleges which pioneered those ideas; and

that each year the Illinois Council of Community College Administrators recognizes those ideas with an Innovation Award ideas most innovative and successful, and which are replicable at other Colleges in the state; and

that award will be made a the ICCCA Fall Conference, November 15-7 in Springfield, Illinois; and

that Daley College is one of four Illinois Community Colleges being honored this year by an ICCCA Innovation Award. The project for which this award is being made is the Amigos Program developed by Todd Lakin, Instructor in Spanish which brings together native speakers of English taking advanced classes in Spanish as a second language program; and

that this program has also been recognized by the National Council of Instructional Administrators, which in Spring 2000 awarded it an Honorable Mention in the category of "Enhancing Student Learning."

Respectfully submitted,

Wayne D. Watson
Chancellor
