BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

HEALTH FAIR  
WRIGHT COLLEGE

THE CHANCELLOR

REPORTS

that the Student Affairs/Activities Office hosted the annual Fall Health Fair, Blood and Minority Bone Marrow Drives on Thursday, September 28, 2000, at Wright North campus. 45 health groups provided screening, information, give-aways and literature; and

that the Director of the Student Affairs/Activities Office, Betty Gilbert actively generated student participation to implement the triple event:

- Phi Theta Kappa - signed up blood donors, assisted with decorations
- Student Radiography Club
- Theater Club
- Medically Minded Club attended tables during the Health Fair to promote awareness of the importance of health on a daily basis; and

that there were 55 individuals who presented themselves as blood donors with 15 deferrals and 40 actual blood donations, 120 local patients will receive blood products in area hospitals - 9 bone marrow minority donors; and

that flu and pneumonia inoculations will be offered as soon as the serum is released.

Respectfully submitted,

Wayne D. Watson  
Chancellor

November 2, 2000
