County of Cook and State of Illinois

DIVISION OF CONTINUING EDUCATION
COLLEGE OF ARTS AND SCIENCES
IN PARTNERSHIP WITH
WEST SIDE CONSORTIUM TRAINING INSTITUTE
FOR FAMILY CHILD CARE HOMES

THE CHANCELLOR

REPORTS

that the "Family Child Care" 20 week training program started class sessions on August 29, 2000. ~~We are happy to announce~~ there are 37 students enrolled in the program, an increase of 85 per cent more than our first group

that the 20 week training program will provide West Side Community residents ~~with the necessary training~~ to become Licensed Family Child Care Providers/Early Head Start Enhanced Providers ~~operating within an agency network~~

the training program provides comprehensive studies in Health, Safety, and Nutrition, Creative Activities, Managing Your Family Child Care Business, and ~~other~~ training in Child Development Studies

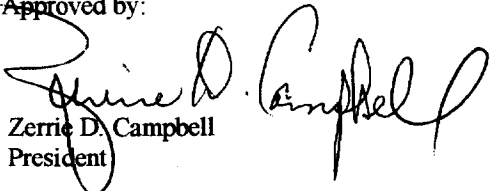

that the training is linked to CDA competencies and includes extensive supportive services to enhance participant and program success. The students will be involved in internships in family child care homes and day care centers or Head Start programs

that the program has a waiting list of over 35 students waiting to enroll for the Spring 2001 sessions. The program will end in December 2000 with a Completion Ceremony.

THE CHANCELLOR

RECOMMENDS that the Board of Trustees continue to support the program.
