AIDS TESTING DAY A SUCCESS
TRUMAN COLLEGE

THE CHANCELLOR

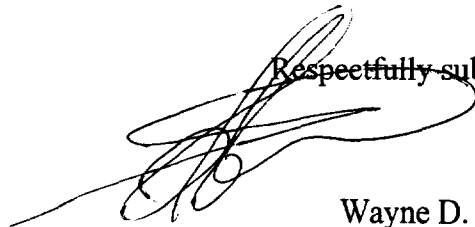

REPORTS that Truman College served as one of several sites around Chicago for National HIV Testing Day June 25; and

that at the college, more than 200 people were tested for HIV, the virus that causes AIDS; and

that the program at Truman College was carried out by the AIDS Foundation of Chicago and co-sponsored by the college, State Representative Larry McKeon, State Senator Lisa Madigan and 46th Ward Alderman Helen Shiller; and

that the event included AIDS facts workshops, an advocacy workshop and performances by the Chicago Women's AIDS Project and Kuumba Lynx, a Chicago poetry and theatrical performance group.

Respectfully submitted
