WAIVER OF COMPETITIVE BIDDING REQUIREMENT

Board Rules state that it is the general policy of the District to use competitive bidding procedures to select professional service consultants. Section 2.04 of the Board Rules lists situations in which a waiver of competitive procedure is possible. In order to retain a consultant without competitive procedures, this waiver form must be completed and approved by the College President, the appropriate Vice Chancellor, or the Chancellor.

Type of Consultant Required:

Consultant to provide advice on political, public policy and intergovernmental affairs matters.

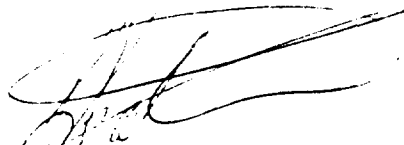

Brief Description:

See Exhibit A

Reason that Competitive Bidding is waived:

The consultant's experience and skill in dealing with the matters under consideration makes it appropriate to engage the consultant without recourse to competitive procedures. In addition, the advantages to the District of selecting this consultant on a noncompetitive basis outweigh the likely benefits of selecting one by competitive procedures.

APPROVED:

Chancellor
