END-OF-TERM ENROLLMENT REPORT:
CONTINUING EDUCATION AND SPECIAL INTEREST COURSES
FALL 2000

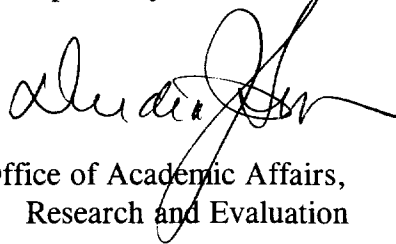

THE CHANCELLOR

REPORTS that as of end of fall 2000, enrollments in continuing education and special interest courses (all subterms) reached 22,676 students. End-of-Term enrollment is presented for continuing education and special interest courses because they start at different times during the term and are not captured in the traditional census date statistics.

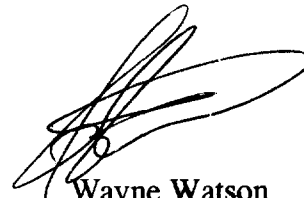

Enrollments in continuing education, subterms A and B, reached 6,133 students at the end of fall 2000. FTE enrollment reached 1,071 students.

A total of 16,543 students were enrolled in special interest courses, subterms C and D, by the end of fall 2000. FTE enrollments for special interest courses are not reported because they do not have a credit hour value.

Respectfully submitted,

Office of Academic Affairs,
Research and Evaluation
