**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois ("CCC")**

**MEMORANDUM OF UNDERSTANDING
between
CHICAGO WORKFORCE BOARD and ONE-STOP SYSTEM PARTNERS
FOR THE CITY OF CHICAGO**

THE CHANCELLOR

REPORTS:

that the Workforce Investment Act of 1998 requires that all recipients of federal Adult Education and Carl D. Perkins grants ("Partners") participate in a state initiative to provide social, educational and employment referral services to state residents via service centers ("Centers") located in various communities ("One Stop Program"); and

that the Partners have developed a memorandum of understanding ("MOU") that outlines the scope of the One-Stop Program; and

that the MOU further details the Partner's support for the Centers, and provides that Partners will maintain a presence at each of the Centers with links to their services, thus creating a service delivery system for the increased convenience of both employers and all categories of job seekers; and

that CCC hosts two Centers, one located at Wright College South and the other located at Daley College; and

that, at a minimum, CCC is required to provide information and referral services at each Center regarding Adult Education and Carl D. Perkins vocational programs, that these funding streams make provision for the personnel required to provide these services, and that any CCC portion of additional shared expense for the operation of the Centers will be offset by the in-kind contribution of space provided to the Partners at Wright and Daley Colleges.

THE CHANCELLOR

RECOMMENDS:

that the Board of Trustees authorizes the Chairman and the Chancellor to negotiate and execute the MOU.

FINANCIALS:

Federal Adult Education Grant
Federal Carl D. Perkins Grant

Respectfully submitted,

Wayne D. Watson
