DEPARTMENT OF VETERANS AFFAIRS
ELECTRONIC ENROLLMENT TRANSFER PROGRAM
KENNEDY-KING COLLEGE

THE CHANCELLOR

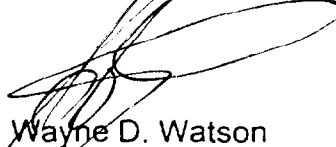

REPORTS

that Kennedy-King College has agreed to use the Department of Veterans Affairs VACert personal computer program that allows the College to create enrollment certifications and notices of change in student status, print records and electronically send records to the VA office.

that VACert speeds up the processing of education claims. It reduces the time it takes for certifications to get from educational institutions to the VA office from days to seconds.

that VACert simplifies the certification process by reducing the time required to enter the information on certifications. It edits the information to ensure that required fields are completed, thus minimizing delays in processing.
