BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT 508
County of Cook and State of Illinois

STUDENTS WIN QUERN I.T. GRANTS
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that 36 Truman College students have received Arthur F. Quern Information Technology (Quern IT) grants for a total of \$81,372; and

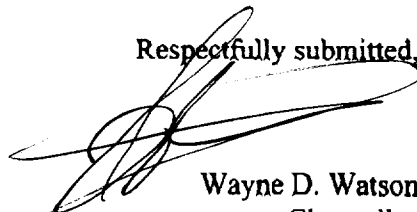

that the Quern IT Grant is aimed at increasing the number of Illinois workers in the information technology field, providing an award of up to \$2,500 to qualified students pursuing additional certification or an undergraduate degree; and

that the grant is renewable one time and can be used for payment of tuition, fees and other educational expenses, not to exceed the cost of attendance; and

that preference is given to renewal applicants, those who have already completed a baccalaureate degree, and those with the lowest Expected Family Contribution (EFC) based on information provided on the Free Application for Federal Student Aid (FAFSA).

Respectfully submitted,

Wayne D. Watson
Chancellor
