BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

CONSULTANT SERVICES – VIRTUAL REALITY PILOT PROGRAM
HEALTH CARE CAREER PROGRAMS
MALCOLM X COLLEGE

THE CHANCELLOR

REPORTS

that in Board Report 21561, dated October 7, 1999, Malcolm X College purchased a five year site license for instructional software developed by Sunrise Virtual Reality, Maywood, IL (Sunrise); the purpose of this software was to develop three virtual reality instructional clinical simulation modules to assist students in the Health Care Career Programs at Malcolm X; Sunrise further delivered the three modules on CD-ROM disk, and created manuals for teachers and technical specifications, as well as the student handbook; and

that approval is recommended to utilize an additional \$31,000.00 of Carl Perkins Grant funds for the use of Sunrise consultant services to complete the Virtual Reality Pilot program; the program includes professional staff development and training seminars for faculty members, assisting faculty in using the virtual reality health care lessons during class and lab sessions, modifying the modules as needed, developing evaluation instruments, and completing a final report on the results of the pilot program, as well as disseminating the results at national conferences; and

that staff reviewed and recommends acceptance of the proposal from Sunrise Virtual Reality to complete the pilot program for a total cost of \$31,000.00.

THE CHANCELLOR

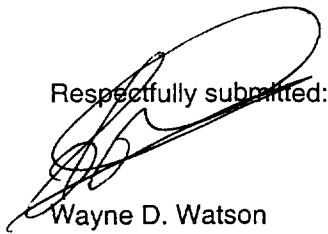

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order in the total amount of \$31,000.00 to Sunrise Virtual Reality, Maywood, IL for the completion of the Virtual Reality Pilot Program at Malcolm X College.
