WRIGHT COLLEGE
HOSTED HEALTH FAIR

TO THE BOARD OF TRUSTEES:

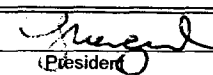

THE CHANCELLOR

REPORTS

that Wright College hosted a free Wellness Day Health Fair on Thursday, September 20, 2001, from 9:30am to 2:00pm with 25 participating health organizations that performed various screenings. Approximately 275 students actively sought information from health representatives. Wright College's Gerontology Program Coordinator manned an information table to promote its program; Phi Theta Kappa Theta Omega officers provided assistance to decorate the tables, monitor the refreshments, and respond to information queries. Additionally, Theta Omega members promoted the Blood Drive Sign-up on the previous Thursday when more than 80 potential donors pledged to donate; however, Life Source cancelled because their personnel were needed at another more heavily committed site. The Blood Drive is being re-scheduled. These events were planned, organized, and coordinated by the Director of Student Affairs/Activities Office with the assistance of the Engineers, Housekeeping, Media Services, Security, the Cafeteria Vendor, and Student Affairs/Activities Staff.

Respectfully Submitted,

Dr. Wayne D. Watson
Chancellor
