AUTOMOTIVE PROGRAM TRAINS KOREAN STUDENTS
KENNEDY-KING COLLEGE

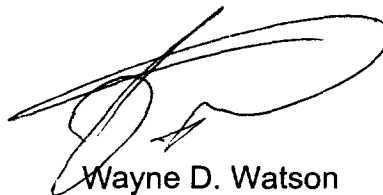

THE CHANCELLOR

REPORTS

that on September 26, 2001 Kennedy-King College entered into a contract with the Chicago Korean Chamber of Commerce to provide instructions in Automotive Technology to a minimum of 15 and a maximum of 20 Korean students; and

that upon completion of the program the Korean students will return to Korea for job placement or remain the United States to continue their education.

Respectfully submitted,
