WEST SIDE LEARNING CENTER; and
WRIGHT COLLEGE

WHEREAS, there is a need to repair the building electrical systems
S at of City Colleges of Chicago (CCC) facilities; and as approved by
the Board of Trustees of Community College District No. 508, the
S CCC District Office staff have undertaken the assessment of
electrical systems at ~~most~~ Districtwide facilities; and

all
WHEREAS, CCC's consulting Engineer of Record (EOR) for this project
has completed the assessments at Truman and Harold Washington
Colleges and has identified unsafe conditions that require
rectification work to eliminate potential life safety hazards to
building occupants; and based on cursory reviews, the EOR has
determined that life safety hazards are present at facilities yet
to be assessed; and that based on the probable costs of repairs
needed for Truman and Harold Washington Colleges, the EOR has
estimated that the project budget for District-wide electrical
system repairs may total over \$10,000,000; and

WHEREAS, the legislature has allocated previously to CCC a
\$9,000,000 grant for the installation of a District-wide student
information system, but that this project has been undertaken by
CCC with moneys from a different funding source; and CCC has
determined that funds allocated previously for the student
information system should be utilized for District-wide electrical
repairs.

NOW THEREFORE, BE IT RESOLVED as follows:

CCC is hereby requesting that the Capital Development Board
undertakes the necessary building electrical system repairs at
