County of Cook and State of Illinois

SCULPTURE OF DR. KING UNVEILED
TRUMAN COLLEGE

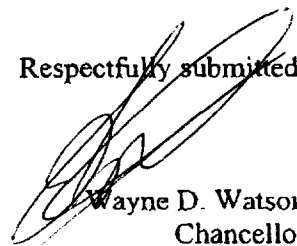

THE CHANCELLOR

REPORTS that Truman College recently unveiled a bas relief sculpture of Dr. Martin Luther King Jr. during ceremonies marking the annual observance of the civil rights leader's birthday; and

that the sculpture was created by students at Truman Middle College, Truman College's alternative high school, with the help and under the direction of art teacher Mikhail Onanov; and

that Mr. Onanov has helped students create and has himself created numerous works of art for the college, including paintings and sculptures of other world leaders, including the college's namesake, former US President Harry S Truman.

Respectfully submitted,

Wayne D. Watson
Chancellor
