Malcolm X College Chess Tournament

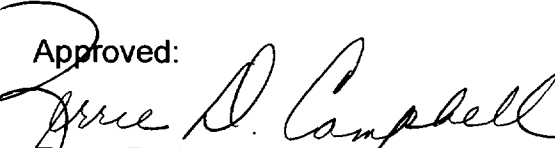

THE CHANCELLOR

REPORTS

that the MXC Chess Tournament took place on campus from November 27-29, 2001. Fourteen students participated in this event, ~~and am pleased to say that the love of the game brought many additional students to the table!~~ Chess boards were made available throughout the three-day tournament for others to challenge their peers for the "fun of it". Many students, besides the twelve played and enjoyed a mental challenge.

that Student Chess Champion at Malcolm X College is Victor Peebles; second place went to Martin Battle. First place won a hand carved chess set, (imported and donated by Dean Cecile Regner), along with a cafeteria food certificate. Second place received a food certificate from the cafeteria. Look for our Spring Tournament scheduled for March 2002. Congratulations to all who participated.
