BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

DIESEL FUEL FOR TRUCKS
TRUCK DRIVER TRAINING PROGRAM
OLIVE-HARVEY COLLEGE

THE CHANCELLOR

REPORTS

that there is a need to make arrangements to purchase diesel fuel throughout the year for the trucks utilized in the truck driver training program at Olive-Harvey college; staff estimates the need at approximately \$35,000 per year; and

that it is recommended that this purchase be made through the current State of Illinois contract with Bell Fuels, Chicago, IL, which was the successful bidder on the State contract; Bell Fuels has agreed to provide a maximum price per gallon of \$1.35, and to issue fuel cards for the drivers; this will make the ongoing purchases of fuel more efficient; and

that this purchase from the State contract is exempt from the District's competitive bidding requirements.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees authorize the Chairman to enter an agreement with Bell Fuels, Chicago for the purchase of truck fuel for the Truck Driver Training Program at Olive-Harvey College.
