ANNUAL JOB FAIR
JOB PLACEMENT AND CAREER SERVICES CENTER
WILBUR WRIGHT COLLEGE

THE CHANCELLOR

REPORTS that on Thursday, April 18, 2002 the Job Placement Office sponsored its Annual Job Fair. Approximately one hundred and thirty-five employers from the Chicago and suburban area attended the event to meet students and residents of the community. Each company and institution shared information about employment opportunities, disseminated applications, collected resumes, and scheduled interviews. Major employers included the Chicago Public Schools, Charter One Bank, Walgreen's Corporation, Northwestern University Hospital, Sears, Social Security Administration, United States Department of Agriculture and United Parcel Service: and

that over 14,000 students and 1000 community residents were invited and over 800 students and 500 community residents attended the Job Fair. We estimate that over 2000 resumes were submitted, over 1000 applications were accepted and approximately 800 interviews were scheduled: and

that approximately fifteen area and local college and universities were on hand to disseminate information and applications for students interested in applying and matriculating to four year institutions; and that three computers were stationed at the entrance to the job fair where representatives from the Illinois Department of Employment Security were on-hand to register participants and job seekers with the Illinois Skills Match program. The Job Fair will continue to be a vital service to Wright College students, community residents and participating employers.

Respectfully submitted,
