County of Cook and State of Illinois

2002 SUMMER ENROLLMENT SURPASSES BEST YEAR TO DATE  
TRUMAN COLLEGE

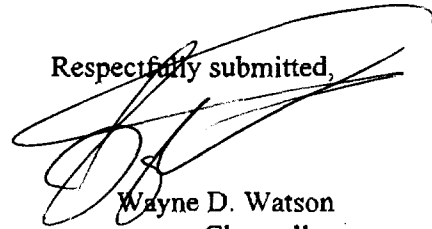

THE CHANCELLOR

REPORTS that as of June 19, 2002 full-time equivalent (FTE) enrollment for summer classes has surpassed the college's previous all-time high summer FTE enrollment, which occurred in the summer of 1992; and

that enrollment as of June 19, 2002 was 1,450 FTE, compared to a final FTE count of 1,446 in 1992; and

that the increase is attributed to a variety of factors, including improved courses and student services, aggressive recruiting, web, media and in-person marketing, and efforts by the Financial Aid Department to notify students of unspent scholarships, grants and tax credits.

Respectfully submitted,

Wayne D. Watson  
Chancellor
