COLLEGE STUDENT LEADERSHIP CONFERENCE  
WASHINGTON COLLEGE

THE CHANCELLOR

REPORTS

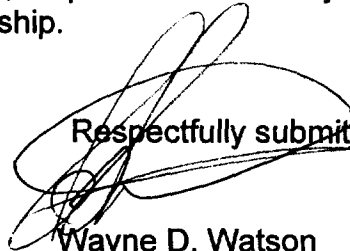

that Wendell Blair, Assistant Dean, Student Services and the Office of Student Services conducted the Second Annual Chicago Public School and Washington College Student Leadership Conference entitled, *A Step In The Right Direction: Ethical Issues In Student Leadership*; and

that this one day conference interactively engaged student leaders from six Chicago Public Schools feeder high schools in breakout sessions highlighting the importance of ethics in leadership; and

that the conference consisted of Washington College administrative panel discussions, engaging the accompanying Chicago Public High School counselors and student club advisors in informative Question and Answer sessions, to further enlighten them about the College; and

that the conference culminated with the luncheon and a keynote address by Washington College Alum, Superintendent Terry Hillard, extolling on the virtues of ethical leadership.

Respectfully submitted,

Wayne D. Watson  
Chancellor
