BLOOD DRIVE HELD ON SNOWIEST DAY OF THE WINTER
OLIVE•HARVEY COLLEGE

THE CHANCELLOR

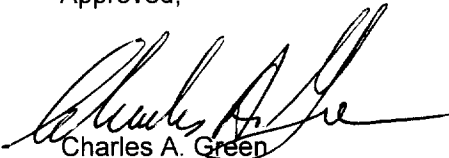

REPORTS

that Olive•Harvey College sponsored a successful American Red Cross blood drive on January 31, 2002, even though the area had received up to ten inches of snow earlier in the day.

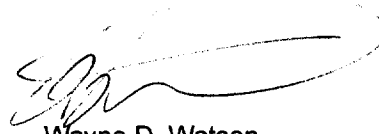

Twenty-one Olive•Harvey College students and employees rolled up their sleeves, endured needle stabs, and donated their blood. These units of blood can be separated into three life-saving components, helping up to three times as many patients as donors. As written by American Red Cross representative Dwan Russell in a thank-you note to the College, "It is only with support from volunteer sponsor groups such as yours that the Red Cross can continue to provide these gifts of life to patients in need."

Approved,

Respectfully submitted,

Charles A. Green
Vice President for Student Services
