THE CHANCELLOR

REPORTS

that in Board Report No. 23141, dated March 7, 2002 the Board approved an extension of the agreement for project management services for the conversion, interfaces and reports project relating to the implementation of the PeopleSoft Financial System; and

that there is a need to have overall project management and to have a functional consultant participate in the Fit/Gap process for phase two of the implementation, and to determine the program and process requirements, and develop the milestone schedule and implementation procedures; and

that Ciber, Inc. has the expertise and staff to provide project management and functional services.

THE CHANCELLOR

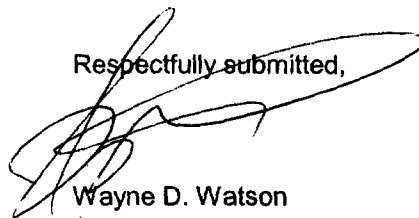

RECOMMENDS

that the Board of Trustees approve the negotiation and execution of an extension of the agreement with Ciber, Inc. through July 31, 2002 for project management and functional services in a total amount not to exceed \$207,000.00 including expenses, and authorizes the Chairman of the Board to execute any documents pertaining to these professional services.
