BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT 508  
County of Cook and State of Illinois

STUDENTS TAKE ADVANTAGE OF TUTORING SERVICES  
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS      that more than 70 Arai Middle School students took advantage of spring break tutoring offered by Truman College's GEAR-UP program; and

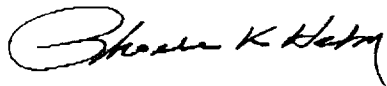

                  that students worked on math and reading skills guided by adult volunteers from the GEAR-UP program, the ranks of Arai faculty, parents and Truman College students; and

                  that GEAR-UP (Gaining Early Awareness and Readiness for Undergraduate Programs) is a federally funded program designed to increase the college-going rate of children from low-income families; and

                  that Truman College and its GEAR-UP partners, a variety of community agencies, deliver extracurricular and support programs to Arai students, teachers and parents.

Respectfully submitted,

Wayne D. Watson  
Chancellor
