Latino Heritage Month Activities
Malcolm X College

The Chancellor

Reports

that
Malcolm X College's rich cultural diversity of its student body and staff was highlighted and well represented during the very successful closing ceremonies of the Latino Heritage month on the evening of October 10, 2002 with a cultural presentation and dance. The Closing Ceremony featured a small ensemble of traditional folklore dancers from Panama who performed two traditional Panamanian dances and a solo performance of a traditional Spanish dance. Also performing were a youth group, which magnificently performed a traditional Puerto Rican folklore dance as well as two modern dances, which included a mix of salsa, cha-cha, and merengue.

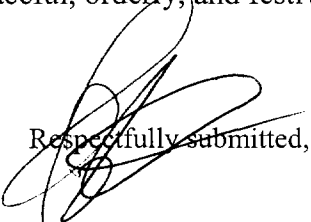

Further

that Malcolm X College is actively pursuing a philosophy of inclusion by bolstering and highlighting its rich cultural diversity reflected in its student population, as well as its faculty and staff. Latino Heritage Month featured lectures by Malcolm X College faculty and adult educators, including, Dr. Antonio Lopez; a film festival; and other interactive events. It was truly a wonderful month of activities in which the rich cultural diversity of Malcolm X College and the City Colleges of Chicago was well represented, and which ended in a peaceful, orderly, and festive manner.
