

**BOARD OF TRUSTEES OF COMMUNITY COLLEGES DISTRICT NO. 508
County of Cook and State of Illinois**

**PROPOSED STANDARDIZATION OF CHARGES FOR
CREDIT FOR LIFE EXPERIENCE SERVICES**

THE CHANCELLOR

REPORTS that the City Colleges of Chicago's Office of Academic Affairs has traditionally offered the citizens of Chicago alternate means to acquire college credit for life experiences via testing and portfolio evaluation services

That the prices for the various services are varied and should be standardized to provide uniformity and consistency between the services, with the exception of the CLEP & DANTES tests

THE CHANCELLOR

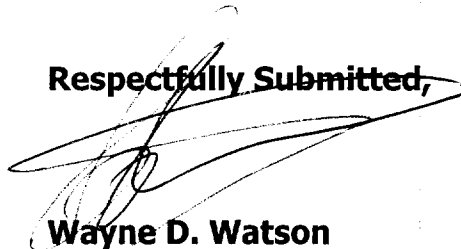

RECOMMENDS

That the Board of Trustees approves the standardization of charges at \$75 per student accessing Credit for Life Experience services from the Office of Academic Affairs

FINANCIAL
