CAREER DEVELOPMENT MONTH
WRIGHT COLLEGE

TO THE BOARD OF TRUSTEES:

THE CHANCELLOR

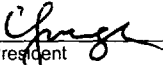

REPORTS

that the Wilbur Wright College Career Programs Office sponsored its third annual Career Development Month in February 2003. The theme for this year was "Career Tech... Working on Your Future"; and

a specific occupational group was focused on weekly: Criminal Justice/Law Enforcement, Health Careers, Engineering, Science, & Technology, and Education. Speakers, an information table, and presentations were scheduled to deliver general & career development information as well as labor market information and employment opportunities. Several outside agencies participated, i.e. Chicago Police Department, Chicago Public Schools, and recruitment agencies. Weekly mini college fairs were hosted, with representatives from local colleges and universities. Several departments (Student Academic Success Center, Transfer Center, and Job Placement) and college campus organizations (Future Teachers of Chicago and Society of Hispanic Professional Engineers (SHPE) provided important information and organizational assistance. The Job Placement Office hosted a placement workshop focusing on resume preparation and interviewing techniques for Humboldt Park Vocational Education Center students; and

for the third year the Career Development Month culminated with a Guaranteed 4.0 Learning Seminar presented by Donna Johnson, founder of the system. This system guarantees students a 4.0 Grade Point Average if they follow the plan. All events were well attended and offered invaluable information to our students for academic achievement and employment.

Respectfully submitted,
