CHILDREN'S SUMMER PROGRAM DOUBLES ENROLLMENT
TRUMAN COLLEGE

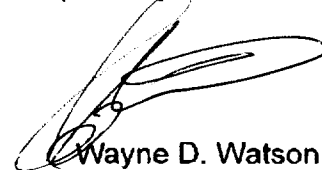

THE CHANCELLOR

REPORTS that the GEAR-UP/Youth on Youth Summer Program has served 100 local children this summer, double the number served last summer, due to Truman College's opening its doors to the program; and

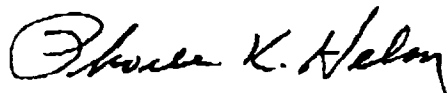

that Youth on Youth, founded in 1995 by Arai Middle School graduates, combines academics with recreation to give children a well-rounded summer experience and the chance to interact with college students and recent graduates from the community; and

that GEAR-UP, Gaining Early Awareness and Readiness for Undergraduate Programs, is a federal initiative designed to steer more low-income children toward a college career.

Respectfully submitted,

Wayne D. Watson
