BOARD OF TRUSTEE OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

**RESPIRATORY CARE WEEK
RESPIRATORY CARE PROGRAM
MALCOLM X COLLEGE**

THE CHANCELLOR

REPORTS

that the Malcolm X College Respiratory Care Program celebrated Respiratory Care Week on October 21, 22, and 23, 2003. Twenty-two first year respiratory care students' set-up displays highlighting the respiratory care profession. People were invited to stop by and have a breathing test done, and measurements of oxygen levels, carbon monoxide levels, heart rate, and blood pressure, and

that a video featuring Dr. Corey Franklin, the programs medical director, lecturing on the techniques of patient assessment was shown continually. Dr. Franklin is noted for being the physician portrayed by Harrison Ford in the movie *The Fugitive*.

that 12 second year students under the guidance of Professor Ranbir Sokhi and Adjunct Lecturer Sharon Jones, were invited by the Respiratory Care Program at Moraine Valley Community College to attend a seminar on the care of pediatric patients in celebration of respiratory care week.

Respectfully submitted,

Wayne D. Watson
Chancellor
