BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT 508
County of Cook and State of Illinois

DIRECTOR PRESENTS AT NATIONAL CONFERENCES
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that Bonnie Muirhead, director of Truman College's Child Development Lab School, presented at two conferences in November, the annual conference and expo of the National Association for the Education of Young Children Nov. 5-8 and the Region V Head Start Association Conference Nov. 17-20, both in Chicago; and

that Ms. Muirhead's presentations, the second of which was delivered with the help of teacher Claudia Olayo, focused on empowering teachers through shared responsibility; and

that the Lab School serves as both day care for children of students, staff and faculty and a teaching facility for Truman students enrolled in the college's Child Development and teacher training programs.

Respectfully submitted,

Wayne D. Watson
Chancellor
