THE CHANCELLOR

REPORTS

that in Board Report 20903, dated October 1, 1998, the Board approved a software license agreement with PeopleSoft for the Human Resource, Financial, and Student Administration systems that provides technical functionality and data record keeping to meet the district educational mission and reporting requirements to state and federal agencies; and

that OIT is developing an Enterprise Management Plan which will define over a three year period, the implementation and updates to the PeopleSoft systems – Student Administration, Financial and Human Resources, the integration between the systems and define the necessary resources for implementation and continuous operational support; and

that part of the planning process, it will require the district to review the implementation projects completed to date and conduct planning and strategy sessions that will define the strategy and scope of future implementation projects, align the implementation project objectives with the business objectives of the district, specify functionality for the district immediate priorities, define the technical requirements of implementation projects, and define the high level scope and roles and responsibilities for the project teams; and

that PeopleSoft, Inc. has the expertise and staff to assist in the development of the Enterprise Management Plan and can provide the functional and technical resources relating to the plan; and

that this professional service agreement is exempt from competitive procurement.

THE CHANCELLOR

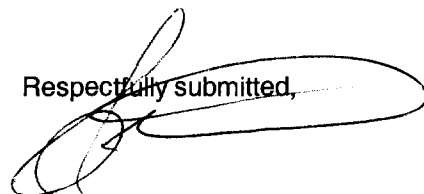

RECOMMENDS

that the Board of Trustees approve the negotiation and execution of an agreement with PeopleSoft, Inc. for the period February 10, 2003 through June 30, 2003 for professional services relating to the Enterprise Management Plan in a total amount not to exceed \$216,568.00 including expenses and authorizes the Chairman of the Board to execute any documents pertaining to these professional services.
