BOARD OF TRUSTEES COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

Wright College Contract
With City of Chicago DOE

THE CHANCELLOR

REPORTS

that the Wright College Environmental Technology Program has been awarded a professional services contract with the City of Chicago Department of the Environment (DOE) to supply Health and Safety training for the operational staff of the Chicago DOE.

This contract award represents continued confidence on the part of the DOE in the Wright College Environmental Technology Program. We have provided training the DOE for six consecutive years. This new contract is in force until May 31, 2005.

The goal of this training in the past has been to prepare DOE employees working with hazardous materials to handle them in a safe manner for the protection of themselves and the rest of the DOE staff, the public, as well as the residents of the City of Chicago. Since 9/11 Homeland Security Preparedness has been added to the course objectives.

Respectfully submitted,

Wayne Watson
Chancellor
