**BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508**

**County of Cook and State of Illinois**

**RESOURCE DEVELOPMENT  
CITY COLLEGES OF CHICAGO**

**REPORTS**

**THE CHANCELLOR**

that proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

**NEW GRANTS**

**Middle College National Consortium's Early College Initiative (PD# 030501)**

The Olive-Harvey Middle College has received a planning grant for \$10,000 to assist in designing an Early College school on campus. The project will provide a high school/college collaborative that will award both a high school diploma and an associate degree in no more than five years. The performance period for this project is from January 30, 2003 through June 30, 2003.

**Ounce of Prevention Fund (PD# 030502)**

Harold Washington College has entered into an agreement with the Ounce of Prevention Fund of Chicago which will provide up to \$2,100 to Washington College for its services in academic advisement of OPF staff. The term of the agreement is from January 1, 2003 through December 31, 2003.

**Jupiter Fellow (PD# 030503)**

Daley College has received an award of \$10,000, from the Council for the Advancement and Support of Education (CASE) which they will match with \$10,000 of their own funds, and utilize for fellowships between the period beginning on September 1, 2002 and ending on May 15, 2003.

**Englewood Neighborhood Arts Project at Kennedy-King College (PD#030505)**

The District Office has submitted a proposal to the Joyce Foundation of Chicago for \$346,000 to plan a major artistic and cultural enhancement project for the residents of the Englewood neighborhood. The performance period for this project is from August 1, 2003 through July 31, 2004 during

which time a proposal would be submitted to the Joyce Foundation for a three year implementation project.

**Pilsen Technology Outreach (PD# 030506)**

The District Office has submitted a proposal for \$49,500 to the Connections For Tomorrow program of the U.S. Department of Health and Human Services. This funding, in Illinois, will be available through the Community Technology Centers' Network (CTCNet). The project would enhance the educational and employment opportunities which are available to the Latino community in Chicago. The performance period for this project is from October 1, 2003 through November 30, 2004.

**Collaboration for the Advancement of Biotechnology and Bioinformatics Project (PD# 030507)**

The District Office has submitted a proposal to the U.S. Department of Education's Minority Science and Engineering Improvement Program for \$453,774. The project would strengthen existing programs in biotechnology and develop curricula by formalizing cooperative efforts with the Women's Entrepreneurial Life Sciences Initiative and Xomix, Ltd., a biotechnology accelerator in Illinois. The performance period for this project is from September 1, 2003 through August 31, 2006.

**Pullman Bank Request (PD# 030508)**

Olive-Harvey College has requested \$20,000 from the Pullman Bank for scholarships (\$15,000) and for support of the Olive-Harvey baseball team (\$5,000). The funds, if provided, would be utilized, for these purposes, at the discretion of the College President.

**A Consortium for Enhancing Teacher Education in the Community College (PD# 030509)**

Truman College is a partner in a consortium proposal submitted by Prairie State College to the Illinois Board of Higher Education. The request, for \$42,500, would be utilized to enhance the participation of community colleges in the preparation of teachers in Illinois. The performance period for this project is from August 20, 2002 through August 31, 2003.

**Youth Athletic Programs (PD# 030511)**

Malcolm X College has received a grant from the Illinois Community College Board for \$50,000 to support youth athletic programs at the college. The performance period for this project is from January 1, 2003 through December 31, 2003.

## CONTINUATION GRANTS

### **Organization of Transportation Investment/Operations (PD#030504)**

Daley College has received an extension to its subcontract with an additional \$25,000 (for a current total of \$100,000) from the Board of Regents of the University of Wisconsin System as part of a grant from the U.S. Department of Transportation. Daley College will assist in leadership training and data collection related to regional transportation issues. The performance period for this project from April 1, 2000 through March 31, 2001, has been extended until March 31, 2004.

### **Rail Road Conductor Training(PD# 030510)**

Richard J. Daley College has submitted a proposal for \$255,000 to the Mayor's Office of Workforce Development, to provide pre-employment training to Chicago residents wanting careers in railroading. Successful completers will be interviewed for jobs with CSX RR. Historically, 97% of completers have been hired. The project's original period of performance was from April 1, 2000 through June 30, 2001 was extended previously to run through February 28, 2003. This proposal would provide an additional funded period from February 28, 2003 to February 29, 2004.

## AMENDMENTS

### **More Teachers for Chicago (PD# 021006)**

The District Office, in conjunction with Illinois State University, Northeastern Illinois University, El Valor, the Golden Apple Foundation and the Chicago Urban League has been funded by the Illinois Board of Higher Education for a project which would increase the number of highly qualified teachers (particularly from under represented populations) who are available to work in Chicago Public Schools. The first year of the project has been funded for \$250,000, of which a subcontract to the Golden Apple Foundation, for \$150,000, will provide scholarships for minority participants in the Golden Apple Scholars Program. *The period of performance for the first year of the project, from August 20, 2002 through June 30, 2003, has now been extended to March 31, 2004. In addition, The Illinois Board of Higher Education has approved a subcontract of \$96,738.08 to Illinois State University which will help to facilitate the pipeline project which develops the Associate of Arts in Teaching degree (AAT).*
