County of Cook and State of Illinois**

**Women's 'Her Story' Month 2003 Activities
Malcolm X College**

THE CHANCELLOR

REPORTS that the rich cultural diversity of the Malcolm X College student body and staff was highlighted during Women's 'Her Story' Month. The month long events began with a Kick-Off Rally featuring Mrs. Sandra Robinson, Radio Personality from AM1390 and V103. The activities included symposia, plays, movies, and a concert. An Art Show/Lecture and Women's Resource Center was sponsored every Thursday by the Illinois Department of Health—Office of Women's Health, Miles Square, and The YMCA West Side Future; and

FURTHER that Malcolm X College provided a special "Pamper Yourself Day" for the women of Malcolm X College. The ladies were treated to a series of health spa related services, which included pedicures, manicures and massages. It was truly a wonderful month of activities in which the women of Malcolm X College celebrated 'Her Story'.
