ShoreBank Scholarship Awards City Colleges of Chicago

ShoreBank has donated \$15,000 in scholarship funds to the City Colleges of Chicago through its *Championing Tomorrow's Achievers* Scholarship Program. The program invited students across the District to participate in a process which required them to have a minimum of grade point average, to obtain two letters of recommendations, and to provide a personal essay. Ten City Colleges of Chicago students were selected as scholarship awardees and will receive a \$1500 in scholarship funds to further their education. These students are from the Lawndale, Austin, and Garfield neighborhoods on Chicago's Westside and are the first recipients of the ShoreBank Scholarship. The students attend Olive-Harvey, Kennedy-King, Malcolm X, and Harold Washington Colleges.
