BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT 508
County of Cook and State of Illinois

ACE FELLOW BEGINS YEAR-LONG INTERNSHIP
TRUMAN COLLEGE

THE CHANCELLOR

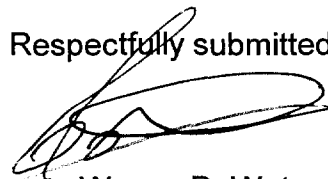

REPORTS that Dr. Laura Saret will spend a year at Truman College under the Fellows Program of the American Council on Education (ACE); and

that Dr. Saret is a professor of computer technology and information systems at Oakton Community College; and

that the ACE Fellows Program is designed to strengthen institutions and leadership in American higher education by identifying and preparing promising senior faculty and administrators for more responsible positions in college and university administration; and

that at Truman, Dr. Saret will be working with academic departments throughout the college to help them understand the ways in which administrators can help improve the delivery of instruction.

Respectfully submitted,

Wayne D. Watson
Chancellor
