

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of IllinoisMALCOLM X COLLEGE ADULT EDUCATION PROGRAM
STUDENT ORIENTATION PROGRAM

THE CHANCELLOR

REPORTS that on August 23rd and 24th, the Adult Education Program at Malcolm X College held a two day orientation program for all students. The objective of the program was to provide information about academic standards, study skills, and test taking strategies as well as college security policies. In addition, the college Advisors did a presentation entitled: **“Staying Focused: Choosing a Career and Why Continue on to College;”** this session gave the students the opportunity to explore the career programs available at Malcolm X College. On the last day of the program the students were introduced to their teachers and the staff in the Adult Education Program. On August 28th, the program held a make up session for the students that were unable to attend the initial sessions. Approximately eight hundred-sixty students participated in the orientation program.

Respectfully submitted,
