**REPORTS**

that Malcolm X College hosted its Fourth Annual Health Fest on Thursday, October 14, 2004. The purpose of this event is to raise community awareness of good health within the community and also expose the community to many Health Science Programs that are offered at Malcolm X College. The day’s activities began with our Health Sciences Programs; Annual Advisory Board Breakfast. Over forty individuals were in attendance as Advisory Board Members were recognized for their continued dedication and commitment to our Health Science Programs. Afternoon activities included displays of our Health Science Programs and several community health care organizations which included: Miles Square Health Center, Prevention Partnership, Chicago Department of Children and Youth Services, Sinai Community Institute, El Rincon Community Clinic, National Sarcoidosis Foundation, National Headache Foundation, and Sisters Embracing Life Cancer Awareness Organization; and

Ms. Becky Markwell, Illinois State Director for Health Care Issues conducted a workshop on Violence Prevention and Drug and Alcohol Addiction. Over sixty students attended the workshop. Chancellor Watson and President Campbell were also in attendance to witness some of the lively discussions that took place. Chancellor Watson and President Campbell also visited many of the community health care organization and Health Science Program displays. Chancellor Watson also became an active participant by having his blood pressure checked by our student nurses.

Respectfully submitted,

Wayne D. Watson  
Chancellor
