BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

COLLEGE RECEIVES 10 AC DELCO ENGINES WORTH \$15,000
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that the Truman College Automotive Technology Program has received a donation of 10 AC Delco engines from Training Center Operations in Grand Blanc, MI; and

that such donations of state-of-the-art equipment, vital to Truman Automotive students' success, are the result of industry contacts cultivated and maintained by Training Specialist Harold Santamaria; and

that the value of the engines is estimated to be \$15,000.

Respectfully submitted,

Wayne D. Watson
Chancellor
