- Audit & Finance Team will be meeting soon to begin working in Audit FY 2005.

**Office of Administrative Services**

The following board reports were presented for board approval:

- 1B: Resource Allocation Management Plan for ICCB: Each June the Board is required to submit to ICCB a list of capital projects they want considered for funding. This year's RAMP list includes funding for: 1. the new KKC, 2. Truman College Parking, 3. D.O. 4th and 6th floor renovation, 4. Daley College Industrial Technology Center Building, 5. OH Transportation building, and 6. MXC Fireproofing Abatement project.

- 6B: Lighting Equipment for the District Office: There is a need to upgrade Exit lighting at the District Office to comply with City Safety Codes. In addition, we desire to add lighting sensor switches on the 2nd, 3rd, 4th, and 6th floors to conserve energy and electrical costs. Administrative Services requests that the Board approve the purchase of this equipment from Evergreen Lighting (which is the lowest responsible bidder). The total purchase price is $28,185.25. The funding is from the Illinois Clean Energy Grant.

- Walk-ON: Renovation and Upgrade to MXC: MXC has requested that A.S. address the issues of: failed plumbing, ventilation, and electrical systems in the 16 major restrooms on all floors, and to upgrade the adjacent areas of the concourse and first floor areas to ensure properly working facilities. A formal bid went out and we had only three firms respond: GF Structures, HLF Construction, and Najila International. GF Structures was the lowest responsible bidder. A.S. requests the Board to approve contract with GF Structures for the amount of $3,486,800. This amount incorporates the bid response of $3,169,789 plus a 10% construction contingency. The funding for this project is from the 1999 GOB-MXC Renovation Project.
