BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

AUTOMATED EXTERNAL DEFIBRILLATORS  
ALL COLLEGES AND DISTRICT OFFICE

THE CHANCELLOR

REPORTS

that there is a need to purchase 50 defibrillators (AED) for all colleges and District Office by June 30, 2005; that is required in order for CCC to comply with current Federal safety guidelines; and

that to address the health and safety of CCC personnel, staff relied on joint competitive procurement with the State of Illinois Central Management Services to obtain a quotation for this equipment from Philips Medical Systems, Seattle, WA, (Contract # 4010926) which was the lowest responsive, responsible bidder for defibrillators; the total proposed cost is \$62,500.00 and is recommended for approval; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced purchase and has determined that, since Philips Medical Systems has a contract with the State of Illinois for defibrillators and that they had to comply with the State's contract compliance goals, it is in compliance with the Board approved Contract Compliance Plan; and

that this purchase meets the CCC's competitive bidding requirements in conjunction with Joint Purchasing regulations of the State of Illinois.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approve the issuance of a purchase order to Philips Medical Systems, Seattle, WA in the total amount of \$62,500.00 for the purchase of defibrillators for all colleges and the District Office.
