REPORTS

THE CHANCELLOR

that proposals, contracts, and other special funding instruments are under development or have been submitted by staff at this time.

NEW PROPOSALS OR GRANTS

Center for Authentic Science Practice in Education (PD# 050501)

Harold Washington College has received a sub-award from a National Science Foundation grant to Purdue University for a project which is intended to stimulate undergraduate student participation in research. The first funding cycle grant to Purdue, of \$1,397,857, includes an award of \$8,000 to Harold Washington for the involvement of faculty and students in the review and pilot of science lab modules. This funding period goes from August 15, 2004 through July 31, 2006. There will be three subsequent funding cycles for FY 2006, 2007 and 2008.

Investor Education Program for the Young Adults (PD# 050502)

Harold Washington College has participated in a proposal for \$339,136 which is being submitted by Roosevelt University to the NASD Investor Education Foundation for a project which would develop curricula and provide education to young adults in the area of investment planning and, more specifically, in retirement planning. The project would run for 24 months and the proposal includes funding of \$9,000 for Harold Washington which would pay tuition for students and a stipend for visiting experts.

SENCER Summer Institute (PD #050503)

The District Office has received an award of \$3,500 from *Science Education for New Civic Engagements and Responsibilities* (SENCER) to support participation in their summer institute. The funds will be a sub-award from a National Science Foundation grant and will be for utilization during the Summer of 2005.

NEIU Teacher Quality Enhancement Subcontract (PD #050504)

Northeastern Illinois University is making an award of \$20,000 to Truman

Resource Development

College to support teacher preparation through the new AAT degree at Truman. This award will continue activities which were initiated with Federal grant funds. The performance period for this project is runs through June 30, 2005.

Project Align Subcontract (PD# 050505)

The Chicago Public Schools have made an award of \$3,660 to the District Office for stipends for faculty to review CPS course frameworks and end-of-course assessments to ensure alignment with Project Align college-ready outcomes. The performance period for this project will end on June 30, 2005.

THE CHANCELLOR

RECOMMENDS that the Board of Trustees approve acceptance of any gifts, grants or other funding which may be forthcoming from these proposals and authorize the Chancellor, the Vice Chancellor for Academic Affairs, Planning and Research, or the District Director for Grants and Contracts to serve as *authorized representative* or *official representative* of the District in the submission of proposals for funding and to execute all documents for the acceptance of this funding or these gifts; said acceptance to be subject to the terms and conditions set forth by the grantor, and said funds not to be expended by the Board for any other purposes.

Respectfully submitted,

Wayne D. Watson
Chancellor

May 5, 2005
