BOARD OF TRUSTEES OF COMMUNITY COLLEGE
DISTRICT NO. 508
County of Cook and State of Illinois

ALTERNATIVE HIGH SCHOOL NETWORK
COLLEGE PREP DAY
MALCOLM X COLLEGE

THE CHANCELLOR

REPORTS that on March 31, 2005, the Title V Program in conjunction with the Office of Enrollment Management and Student Services sponsored its annual College Prep Day with one-hundred and seven alternative high school students from eighteen alternative high schools that form part of the Alternative High School Network in attendance; and

FURTHER that these alternative high school students learned about Malcolm X College, its programs, offerings and services through presentations given by a number of the college's personnel representing various areas including academic and career programs, Placement Testing, Financial Aid, Workforce Development, the Early School Leavers Program, the Bridge Program, the Trio Educational Opportunity Program (EOC) and the Title V Program; and

that a total of forty-eight social service, health and post-secondary service providers were present to provide information to the students; and

that the annual College Prep Day continues to provide alternative high school students with an opportunity to get an early overview on what to expect in college and a jump-start in preparing for their continued educational future.

Respectfully submitted,

Wayne D. Watson
