OPENING OF THE LATINOS HERITAGE MONTH EVENTS
HAROLD WASHINGTON COLLEGE

THE CHANCELLOR

REPORTS

that on Tuesday, September 15, 2005 Harold Washington College presented the opening ceremony for the Latinos Heritage Month events. Seventy to 100 students attended this event and were very impressed with the organization, and

that Representative Willie Delgado made a great impact on many of the Harold Washington College students in attendance, and

that the opening ceremony included a short, but precise explanation of the slogan "El poder de poder" by Marcy Henry, faculty member of the Humanities Department, and Interim Dean Anna Blum presented a detailed explanation of the Mexican flag which was very appropriate for the Mexican Independence day celebration, and

that the Latinos Heritage Month event was an exceptional outreach to the HWC students.

Respectfully submitted,

Wayne D. Watson
