ALL COLLEGES AND DISTRICT OFFICE

THE CHANCELLOR

REPORTS

that in Board Report # 23477, dated October 3, 2002, the Board of Trustees authorized the district to use Sentinel Technologies, Inc. for a three year period to provide on-site maintenance of computer equipment as specified in accordance with the Request for Proposal RFP # SC0203 that was issued in September, 2002; and

that the authorization allowed the district to achieve district-wide coordination and standardization of maintenance services on computer hardware, and take advantage of competitive pricing for the three-year period with two one year options to renew; and

that OIT recommends that the district exercise its first one year option with Sentinel Technologies, Inc. to maintain and repair computer hardware including microcomputers, laptops, printers, scanners, controllers, servers, SAN equipment, front end processors, high speed printers and related or specialized equipment; and

that the expenditure for these services is funded through the Office of Information Technology FY06 and FY07 Operational budget; and

that the Office of M/WBE Contract Compliance has reviewed the above referenced maintenance services opportunity and has determined that Sentinel Technologies, Inc. is in compliance with our Board approve Participation Plan.
