MALCOLM X COLLEGE
WELCOME BACK OUTDOOR FESTIVAL

THE CHANCELLOR

REPORTS on August 25, 2005, the Student Government Association in conjunction with the Office of Enrollment Management and Student Services sponsored a Welcome Back Outdoor Festival in the college's main parking lot. The purpose of the Festival was to increase enrollment and registration awareness among potential college students, thank our students and the public for their support during the construction project, and conduct a ribbon cutting ceremony to announce the completion of Phase One of the \$35m Renovation Project.

FURTHER that the Festival featured a music stage; a Kids Pavilion was made available featuring clowns, face painters, inflatable jungle gym; Legacy Entertainment allowed students to create their own CDs and picture key chains; and a Health Fair Pavilion featuring health care providers such as Circle Family Core, Provident Hospital, Kid Care and Medi Care, Sankofa (HIV Awareness/Prostate Cancer), Illinois Department of Health (Counseling and AIDs screening), Working for Togetherness (HIV/AIDs testing), Life Source /Bone Marrow and Miles Square Medical Center.

Respectfully submitted,

Wayne D. Watson,
Chancellor
