DENTAL HYGIENE PROGRAM  
KENNEDY-KING COLLEGE

THE CHANCELLOR

REPORTS

that in Board Report# 18770 dated September 7, 1995, the Board approved entering into an educational partnership with the University of Illinois at Chicago, College of Dentistry, to utilize the clinical and laboratory facilities of the College of Dentistry for students in the Dental Hygiene Program at Kennedy-King College where a ten (10) year term agreement was negotiated and executed, September, 1995; and

that this partnership offers the best of both educational settings and is the only dental hygiene program in the City of Chicago, where all dental hygiene classes and clinical experiences are conducted at the University of Illinois, Chicago College of Dentistry, and taught by professors of dental hygiene and dentistry in a professional atmosphere with access to many educational experiences only available in a College of Dentistry setting, where not more than 30 students are admitted; and

that tuition for enrollment into the program is estimated at \$ 7,200 for residents of the City of Chicago at \$100 for 72 hours, \$16,503.12 for Illinois residents at \$229.21 for 72 hours and \$22,676.40 for non-Illinois residents/international students at \$314.95 for 72 hours; and

based on the completion of curriculum planning and the receipt of ICCB program approvals for the continuation of the Dental Hygiene Program at Kennedy-King College and in accordance with stipulations of the Agreement, the dental science courses will continue to be taught by UIC faculty; and

that a ten(10) year Agreement will be negotiated to the satisfaction of both UIC and CCC staff, pursuant to legal review, which will state the terms of payment and conditions of the educational partnership between UIC and CCC; and,

that the Office of M/WBE Contract Compliance has reviewed the above clinical facilities agreement and has determined that this activity is sole-source and therefore a waiver is granted from compliance from both the MBE and WBE goals of the Board approved Participation Plan.
