COMMUNITY COLLEGE LEARNING AND TEACHING
CELEBRATION BANQUET
HAROLD WASHINGTON COLLEGE

THE CHANCELLOR

REPORTS that the Community College Learning and Teaching (CCLT) Celebration Banquet was held on May 20, 2005 at the Renaissance Hotel attended by many former CCLT graduates, many of the current graduates, and a good number of the last cohort members, and

that CCLT-HWC faculty and organizers were present (Dr. Jennifer Haworth, Charlotte Briggs, John Hader, Jennifer Asimow, John Metoyer, and Ephrem Rabin). The following mentors were also present (Dennis Lehman and Sammie Dortch). HWC administrators present included President John Wozniak, Vice President Cecilia Lopez, and Interim Dean Anna Blum, and

that Dr. Haworth, Director of CCLT, was the Master of Ceremony for the event. She gave a deeply thoughtful address about her experiences with the program, the vision of the program for her, and her hopes for CCLT graduates in the future. There were two creative musical-poetic performances. The first was a song based on the theme from "Green Acres" sung by John Hader and accompanied on guitar by Isabelle Belance. The second was a song based on "Yankee Doodle" and performed (improvised percussion on a table) by Ismail Mehmeti, and

that faculty, mentors, and administrators were recognized for their support and hard work. The 2005 graduates received their diplomas, as well as a special gift. The gift came from their classmates who wrote something that struck them about each graduate or something that they learned from them. The event was quite enjoyable and exemplified how much CCLT has enriched the lives of teachers and learners.

Respectfully submitted,

Wayne D. Watson
